**GREAT AUSSIE BUSH CAMP**  
Our senior students got away to a great start on Wednesday morning and arrived at the Great Aussie Bush Camp all excited and eager to have a fantastic time. They have many interesting and challenging activities to participate in before they arrive back at school on Friday afternoon. We look forward to hearing all their stories and looking at the accompanying photos.

**NEWCASTLE PERMANENT MATHS COMPETITION**  
Assembly this week saw many of our senior student honoured with certificates for their results in the Newcastle Permanent Maths Competition. Congratulations to those students who gained distinction and merit certificates for their fantastic efforts in this competition. Well Done to all students in Year 5 and Year 6 for participating and trying their best.

**BINLESS WEDNESDAYS**  
Just a reminder that our major environmental focus continues to be ‘Binless Wednesday’. On Wednesdays we encourage students to bring food to school that does not generate any rubbish for the bins. Suggestions on the types of food that could be included in lunch boxes to avoid creating any rubbish include fruit and vegetables, biscuits, crackers, dried fruit, cheese, yoghurt and sandwiches placed in reusable containers or clip lock bags instead of plastic wrap and foil. These are excellent ways to minimise the production of waste within our school. The idea behind ‘Binless Wednesdays’ reflects the key message of reduce, reuse and recycle which is widely promoted in schools and part of our environmental programs.

**KINDER ORIENTATION**  
Kinder orientation concludes next week. The children have had a great time preparing for their move to BIG school and we hope this time in our school has helped them and made them more comfortable when they begin Kinder in 2016.

*Working together with families, staff and community to ensure all our children are happy and safe at school and achieving their best at all times.*
